Chesil Collaboration is a group of schools working closely together to share their experience and expertise, support each other and improve children's learning opportunities.
Our purpose is to enable every young person to access outstanding opportunities to learn, which we believe can be achieved by working together.

What we have achieved so far:

- Established staff links across all seven schools
- Implemented shared training for staff
- Recruited a Parent Champion - Radipole, Bincombe, Southill and Conifers
- Employed an Educational Psychologist to help our children achieve their full potential.
- Participated in the shared
  - Chesil Poetry Festival
  - Books and Stories with Bournemouth University

What we aim to do next:

- Expand music opportunities across the schools
- Provide further training opportunities for all staff, including Stormbreak to enhance pupils' mental health
- Work to enhance the transfer process into secondary schools
- Develop Community Responsibilities

We are committed to:

- Improving opportunities for all children across the Chesil Collaboration
- Inclusivity and excellence within and across our seven schools
- Preparing our children for their futures beyond Weymouth and Portland
