Autumn/Winter Fun

I would like to thank you for your recent attendance at parents' evening and your generous donations for Harvest, Children in Need and PTA events. The children also had a fantastic Space Week organised by Mrs Holmes. It was lovely to see the children's enthusiasm and creativity in their designs and model rockets. I was really impressed with the children in years 3,4,5 and 6 who sang and spoke beautifully in a really emotive and thoughtful Remembrance Service at All Saints Church. Huge thanks to Mr Greet, Mrs Mullender and Church Warden Mrs Richards.

It is with great sadness that we say goodbye to the legend that is Mrs Ingram. She will leave us on Monday 16th November to pursue a new opportunity in the care sector. She has dedicated the last 11 years to helping our youngest children in EYFS at St George's. Her hard work, boundless enthusiasm and care for the children has helped so many settle quickly into school-life and make amazing progress. She has also supported so many children with lots of TLC whilst giving out a lots of plasters, ice-packs and magical wet paper towels. We wish her every success for the future!!

We look forward to welcoming you into school for our EYFS and Key Stage 1 nativity performances or seeing you at All Saints Church over the coming festive season. We will end term with a Christmas Jumper Day on Friday 18th December at 2:30pm.

Thank you for your continued support.

Mr M Coombs

PUPIL LEADERSHIP

Our amazing Sports Leaders and School Council were fantastic in the success of another superb Children in Need Games Day. Mr Barter and Mr Lock organised a day full of great sporting competition which was won convincingly by Lighthouses. Congratulations!

The School Council also sold Pudsey merchandise and ran a raffle to win a variety of Pudsey Bears. They did a superb job and raised a fantastic £686.30.

SPORTS EVENTS

In recent sporting competitions, our amazing football teams competed in the Dorset County 6-a-side tournaments at Redlands. Both teams were amazing finishing in third place for their respective competitions. Amongst the amazing sportsmanship, grit, determination and skilful play we can also boast the extremely rare achievement of having scoring goal keepers in each team – top work to Chloe and Rio.

Sports Stars

Science Fun – Space Week.

ATTENDANCE

Every School Day Counts.

Fantastic news for the first time in years our attendance is sitting at an amazing 95.1%. Thank you so much for your efforts in bringing your children to school and especially on time.

Our winners last half-term were Year 2 with younger year groups dominating our weekly attendance award. As the competition heats-up, we will have a second non-school uniform day for the winning year group on Thursday 18th December.

Attendance League – 3rd Sept.– 12th Nov. 2026.

1st Year 2 – 96.5%
1st Year 1 – 96.5%
2nd Year 3 – 95.9%
3rd EYFS – 94.9%
4th Year 5 – 94 %
4th Year 6 – 94%
5th Year 4 – 93.8%
